Subject: Microsoft Settlement

Dear Sirs:

Without delving into any discussion of numerous technical points, I would like to voice my opinion on the proposed agreement with Microsoft. I fail to see exactly how the proposed final judgment is a punishment or how it will keep the company from acting as it has in the past. I truly believe that Microsoft will walk away with not even a slap on the wrist. I continue to cheer for the states that have rejected the proposed settlement and are pursuing further legal action against this company that has repeatedly broken the law.

Sincerely,
Mark D. Leighty
